

CHESTNUT CHAT SERIES:
CHAT 12: METABOLOMICS WITH DR. JEANNE ROMERO - SEVERSON
DATE: FRIDAY, AUGUST 21, 2020

ORIGINATOR	QUESTION / COMMENT
Lisa T.:	We will be doing all questions at the end of Jeanne's lecture. Please put all questions in the Q & A box, and comments in the Chat room. Thanks!
Doug Rademacher:	Can someone from TACF (Jared?) explain as to whether this approach would help the TACF efforts?
Tim Eck:	that's a citizen science protein folding program
Lisa T.:	Please put all questions in the Q&A box
Cherin:	Public Comment Period webpage: https://www.acf.org/science-strategies/biotechnology/documents-for-public-comment-period/
The American Chestnut Foundation:	Visit this link to learn more about comparisons and safety tests of the transgenic and wild American trees: https://www.acf.org/science-strategies/biotechnology/
